

Athletic Transportation Permission Form

Queens Grant High School does not provide any form of transportation through the school to and from sporting events.

Coaches are not responsible to provide transportation to and from sporting events, however, by signing this form you are giving permission for the coach to transport your child to and from a sporting event if you cannot transport, or if you don't have other arrangements made for your child.

The most ideal situation would be to have transportation provided by the athlete's parent(s) or legal guardian.

.....
If I am unable to provide transportation, I give permission for my child to be transported to and from a sporting event by someone other than myself.

Knowing that the adult driver/chaperone will take the utmost care of my child's safety, I understand that accidents do occur and that in such situations immediate steps must be taken to secure my child's health. I hereby authorize the Staff of Queens Grant High School to seek medical attention for my child should an emergency arise, provided that I will be contacted as soon as possible.

Failure to reach me shall not prevent an application of immediate, necessary medical or dental treatment, not excluding injection, anesthesia or surgery, at your expense.

In case of an accident, I will not hold the driver of the vehicle or anyone associated with Queens Grant High School liable.
