Student Transportation Permission Form

Queen's Grant Preparatory High School does not provide any form of transportation to and from sporting events, field trip events or special events.

The most ideal situation would be to have transportation provided by the student's parent or legal guardian.

.....

If I am unable to provide transportation, I give my permission for my child to be transported to and from events by someone other than myself.

In case of an accident, I will not hold the driver of the vehicle or anyone associated with Queen's Grant Preparatory High School liable.
