1 – Health/PE Class
2 – Consecutive years of the same foreign language
5 – Elective Classes

23 – Total Credits Needed

Electives (5):

* _____

* _____

* _____

* _____

* _____

***Math:** *The state of NC requires that a high school student take four (4) math classes. The student may take high school math classes in middle school, but Algebra 1, Geometry, Algebra 2, and at least one math that has Algebra 2 as a prerequisite must be taken. So, if a student has taken Algebra 1 in middle school, they will still need 4 math classes in high school.*
